- Child's National Statistics Office (NSO) or Philippine Statistics Authority (PSA) Birth Certificate**
Please bring the original birth certificate and one photocopy. For children born in the Philippines, please provide an NSO or PSA birth certificate. A birth certificate issued by the Local Civil Registrar (LCR) is not sufficient.
- Photo identification and growing-up photos of child**
For school-aged children, please bring the original school ID and one photocopy. For all children, please bring growing-up photos. These photos should begin as near to birth as possible, spanning to the present. If available, **the photos should show togetherness of the applicant and the U.S. citizen parent.** (NOTE: Please **do not send original photos as we cannot guarantee their return.** Applicants are encouraged to send CLEAR copies of these photos printed on a piece of paper labeled with the years they were taken).
- Evidence of parent's U.S. citizenship**
The U.S. citizen parent must have been a citizen at the time of the applicant's birth. The U.S. citizen parent(s) must present original proof of his/her U.S. citizenship, such as a valid or expired U.S. Passport, U.S. Birth Certificate, Consular Report of Birth Abroad, Certificate of Naturalization, or Certificate of Citizenship, etc.

PHYSICAL PRESENCE/RESIDENCE IN THE UNITED STATES

- Evidence of physical presence in the United States/residence**
The U.S. citizen parent must bring proof of sufficient physical presence or residence in the United States before the child's birth in order to transmit citizenship. Please consult our website for the specific requirements (<https://ph.usembassy.gov/u-s-citizen-services/citizenship-services>). Documents that may establish your physical presence in the U.S. include transcripts from Primary, High School and/or University, Income Tax Returns and W2s, old passports, a Military Statement of Service or DD-214 Separation Statement (military members only). You can submit other documents as evidence. Please bring the original documents and a photocopy of each.

LEGITIMATION/LEGAL RELATIONSHIP

- Parents' marriage certificate, if applicable**
Please bring the original marriage certificate and one photocopy. For marriages conducted in the Philippines, a National Statistics Office (NSO) or Philippine Statistics Authority (PSA) marriage certificate is required. A marriage certificate issued by the Local Civil Registrar (LCR) is not acceptable.

The mother and/or father will need to show termination of all prior marriages. Please bring certified translations if the decrees or certificates are not in English. Please bring the original divorce decree/annulment decree/death certificate and one photocopy of each document. For a death that occurred in the Philippines, please provide an NSO or PSA death certificate or an original Consular Report of Death Abroad issued by the U.S. Embassy.

BLOOD RELATIONSHIP

Prenatal records and/or other evidence of mother's pregnancy

- Please bring original documents and photocopies. These are helpful in establishing the existence of the pregnancy as well as the biological relationship of the child to the mother, regardless of her citizenship. Ultrasound reports can assist the Embassy in ascertaining the probable conception period.
- **NOTE: For Assisted Reproductive Technology (ART)**, biological parents should submit medical records detailing the method/procedures done. For more information on how the Department of State determines citizenship for children conceived through ART, please visit: <https://travel.state.gov/content/travel/en/legal-considerations/us-citizenship-laws-policies/assisted-reproductive-technology.html>.

Evidence of the couple's physical presence in the same location at the time of conception

Please provide the parents' passport(s). If the original passport(s) will not be presented during the interview, notarized copies of all the pages of the passports may be presented. (Note: Documents should be notarized by a U.S. commissioned notary or U.S. consular officer). Flight records and/or entry and exit records from a country may also be helpful.

Evidence of the couple's relationship prior to the conception of the applicant

- The burden of proving a claim to U.S. citizenship, including a blood relationship, is on the person making such claim. Photos prior to the time of conception, letters, and other correspondence may help establish the couple's relationship prior to the conception of the applicant. Bring original documents and photocopy of each.
- Genetic testing is a useful tool for verifying a stated biological relationship when no other form of credible evidence is available. For more information, read about the DNA testing procedures on the Embassy's website <https://ph.usembassy.gov/u-s-citizen-services/citizenship-services/>.

NOTE: Do not initiate DNA testing unless it was recommended by the Embassy for your pending CRBA application. A DNA test done independently and not according to Department of State procedures will not be accepted.

If you would also like to apply for a passport, please submit these additional items:

"Application for a U.S. Passport" (DS-11). Fill-up/complete but do not sign!

For children under the age of 16 both parents/legal guardians are required to come in person. If this is not possible, see below for instructions. Please complete the form electronically and print it out. A form completed by hand may be accepted on a case-by-case basis. Please review the information on First Passport Applications (for children under the age of 16) on the website found at <https://eforms.state.gov/Forms/ds11.pdf>.

If you do not have a Social Security number, you must submit a signed statement including the phrase, **"I declare under penalty of perjury under the laws of the United States of America that the following is true and correct: I have never been issued a Social Security Number by the Social Security Administration."** This declaration or statement of "NO SSN" does not need to be notarized, but must be signed and dated and attached to the passport application. The absent parent must also provide a photocopy of the front and back side of the photo I.D. that was used during notarization. **The document is only valid for 90 days after the date of signature.** Download this form at <https://eforms.state.gov/Forms/ds3053.pdf>
- If one parent/guardian has sole custody: Present original primary evidence of sole authority to apply for the child’s passport, *e.g., court order, death certificate, etc.*

The statement **must** include: minor’s full name and date of birth; affiant’s relationship to child (e.g., mother, father, etc.); affiant’s street address, telephone number and email address; and a specific statement that the affiant gives consent to the issuance of a passport to the named minor child.

Please note we will only accept this document for 90 days after the date of signature and the document should be notarized by a U.S. commissioned notary or at a U.S. Embassy or Consulate overseas. The absent parent(s) must also provide a photocopy of the front and back side of the acceptable photo I.D. used during notarization.

- “Statement of Exigent/Special Family Circumstances” (DS-5525)**, is required for passport applications for children under the age of 16 if the written consent of the non-applying parent or guardian or sole custody cannot be obtained. The statement must explain in detail the non-applying parent's or guardian's unavailability and recent efforts made to contact the non-applying parent. You may also be required to provide evidence to document your claim of exigent or special circumstances. Download this form at <https://eforms.state.gov/Forms/ds5525.pdf>.

REMINDER:

We stand ready to assist you; however, the biggest obstacle to a quick completion of the CRBA application process is obtaining all of the necessary documents. If you do not bring the appropriate documentation (including an **NSO or PSA birth certificate), we will suspend processing of the application, and you may be required to schedule another appointment.**

You may be asked to provide additional documentation at the time of your interview. By regulation you will have 90 days to submit the requested documentation or the case will be closed for insufficient evidence to establish U.S. citizenship of the applicant. All fees are non-refundable.

I hereby certify that I have read the above instructions and that I have all the listed documents applicable to my case in my possession and am prepared to present them at the time of my appointment.
